# MODULAR PIVOT WEIGHT

## NELSON'S 1 LB. MODULAR WEIGHT FOR FLEXIBLE HOSE DROPS

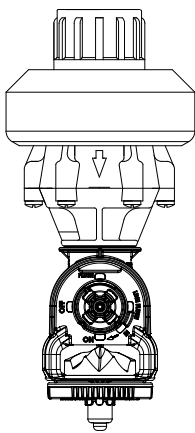

The modular weight fits onto all Nelson Pressure Regulators. When pressure regulators are not used, the weight can be placed directly on all 3000 Series sprinkler bodies. The 1 lb. Modular Pivot Weight is designed for Nelson pivot products operating at 20 PSI and below. (Note: The Orbitor cannot use slip weights of any sort.)

### MOUNTING OPTION 1

SECURE WEIGHT DIRECTLY ONTO NELSON PRESSURE REGULATOR. **FOR 3000 SERIES & 3030 SERIES.**
